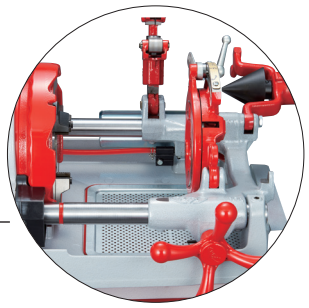
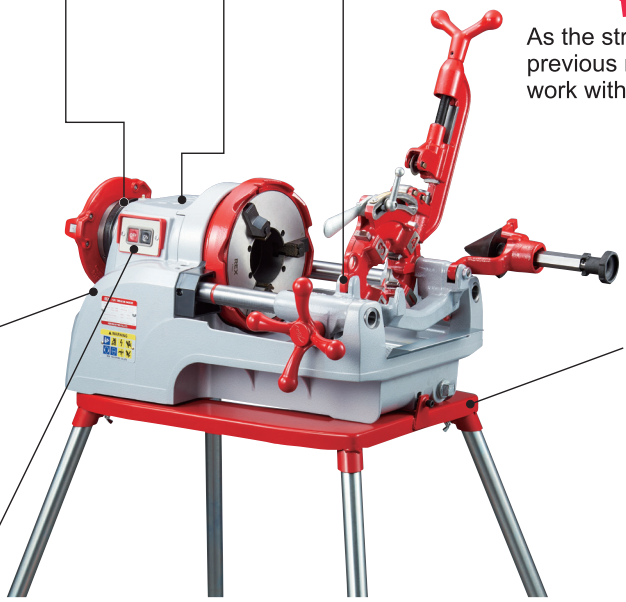
REX FP80A - A machine that gives the best finish you've ever seen!

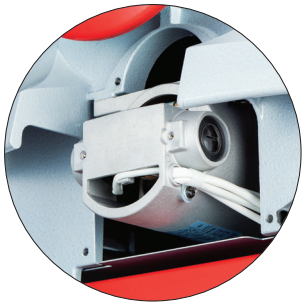
Die-cast body
Stronger than previous model and with a more luxurious touch.

Adjust ring
Take up any slack between the main shaft and the shaft bearing to keep the pipe steady.



Wider space
As the stroke is longer than the previous model, it is easier to work with.

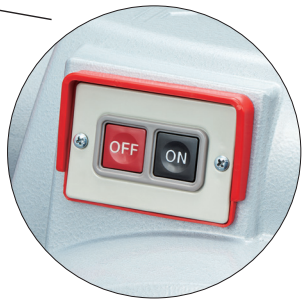




Carbon brushes
Open motor design allows easy carbon brush replacement from both sides

Stand base
The machine stays safe and steady

Cam switch (CE) & Foot switch
Improve durability and operability of the switch



Push button switch (non-CE)
Improve durability and operability of the switch
