

CVX6

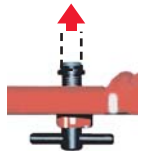

CHAIN VICE STAND CVX6

**Robust Multi-function Performance.
Handles the Most Rigorous Jobs with Ease!**

Celing Brace Screw

Simply attach a support pipe to keep the stand firm when using the bender, etc.

Tray Support

If the stand rocks a little and needs adjustment, just adjust the 'wings' of the support tray.

Bender

Effortlessly bends thin wall tubes up to 3/4".

• All-in-one Chain Vice Stand

The CVX6 is a chain vice and stand all-in-one -flat, simple, packed full of different functions. The stand gives you up to 1.5 times more working surface than previous models, providing you with ample room to work on.

• Sturdy aluminium die cast base

Newly designed die cast base stands up to the toughest jobs.

• Safe and reliable operation

Reliable work starts from having dependable tools to work with. Made for outstanding durability and functionality, the CVX6 also offers robust reliability.

Folded for storage, etc.

The CVX6 in actual use
